

## Can You Talk the Talk?

Attend this informative briefing and improve your communication techniques, obtain a better understanding of Temporary Flight Restrictions (TFRs) and the potential consequences of poor preflight planning. Featured speaker for this exciting presentation is retired Boston TRACON Controller Bob Adelizzi. He discusses pilot/controller communication responsibilities and TFR avoidance strategies. He will provide an in-depth look into proper communications and error prevention. Join us for a Cookout starting at 6:00 PM, followed by the Seminar starting at 7:00 PM. Click on the link below and register TODAY!

**Directions:** Take the first right after entering the airport, then follow the road through the gate to the end.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
